Hi Scott,

Most certainly. I have morning meetings from 8am to 11am tomorrow, but I am free after that. Let me know what time works best for you and I'll give you a call.

Miguel,

I would like to have a professional discussion with you to work through statements you made to the public about me that are not accurate.

Ex. 6 - Personal Privacy informed me that at a recent meeting relating to East Chicago you made statements about me that included an assertion that I am an "agitator" among a few other things – some of these statements could be considered to be defamatory. I understand that there is a video of this – I have no plans whatsoever to make a big deal about this or bring to the public which is why I am writing this e-mail to you in good faith so we can have a respectful discussion that is fact-based.

Please know I hold no ill will against you or anyone else at the EPA. I have a professional and respectful working relationship with Mark Durno and many others at the EPA throughout the country.

I look forward to hearing from you. My phone number is 508-345-6520.

Best Regards,

Scott C. Smith
